➤ **Bookie C 0-0 L. V4.**

If the final Correct Score of a football match is 0-0, and the player's selection in Halftime/Final or Exact Score is different, it is settled as void

The offer applies to all types of bets (single selection / multiple with or without system) on selections placed before the start of a match at Half-Time/Final or on the Correct Score. The offer will be valid for betting on any football match

Maximum refund amount: There is no maximum refund amount as the refund amount is equivalent to the value of the ticket.

In case of withdrawal of the offer, if a player becomes a beneficiary of the offer before the time of its withdrawal, then he will be entitled to redeem the ticket.

If the terms and conditions are met for more than one bonus then only one bonus prevails and only one bonus applies, the one with the highest profit for the customer.

➤ **BookieSafe**

In tickets concerning final match winner or advantage (handicap), in football or basketball, in case the winner selected leads with a specific goal / point difference in addition to the indicated difference (handicap case), the selection is settled as won, regardless of the final result of the match

The offer is valid for all types of bets (single selection / multiple with or without system) only for pregame selections (placed before the start of a match) in the following markets: Bets are settled as won if the team selected through the markets listed in clause 1) leads by the required margin at any point in the match, regardless of the final result

The offer will be valid for wagering on any football or basketball game

Soccer: FT 1X2 (BookieSafe) for two goals difference

Football: European Handicap (BookieSafe) for two goals difference in addition to the handicap indicated

Basketball: 2-Way Odds (Incl. OT) (BookieSafe) for 20 points difference

Handicap Points (Incl. OT) (BookieSafe) for 20 points difference in addition to the indicated advantage
